Exemplary Quality and Style

While the signature Wayne Gillespie original architectural design shines through this stunning contemporary residence, a brilliant refurbishment has added showstopping style, luxurious finishes, elite quality and spectacular landscaped outdoor environs.

Framed by a beautiful garden with tranquil water feature, the interior spaces are enriched by wide American oak floors, plantation shutters and high ceilings. The expansive lounge with a roaring open fire invites relaxing or entertaining while the generous separate dining room is also perfect as a home office. Natural light streams through the living/dining room and sublime kitchen appointed with premium Asko appliances, Tundra marble benches, integrated fridge/freezer and a wine fridge. Bi-fold doors open completely to a private northwest decked garden with heated spa, BBQ kitchen, pizza oven and surround sound, an idyllic setting for al fresco entertaining surrounded by lush greenery. Skylit stairs lead up to the generous main bedroom with designer en suite and an abundance of robes, two additional bedrooms with robes and a stylish bathroom.

Enjoying a coveted location close to Auburn station and village, elite schools and Rathmines Rd Reserve, it includes alarm, CCTV, ducted heating/cooling, ducted vacuum, powder-room, Euro-laundry, irrigation and garage.
