Welcome to a hidden paradise in the heart of Strathalbyn. This beautifully designed three bedroom, two bathroom home sits majestically on just over 900 sq/m surrounded by beautiful, nursery-like gardens. Crafted with precision and care by leading boutique builder, Phillips Builders in 2016, this home offers the perfect blend of luxury and comfort. Step inside and be greeted by generously proportioned spaces, with 2.7m ceilings that create a feeling of space and grandeur. Every window in the house showcases a unique and breathtaking view of the meticulously maintained gardens, ensuring that natural beauty is never too far away. The heart of this home lies in the open plan kitchen, dining, and lounge area. This versatile space provides the perfect setting for entertaining guests or simply unwinding after a long day. The chef's dream kitchen offers an abundance of bench space, European appliances including dual ovens, a double sink, and a dishwasher. No detail has been overlooked. The home contains three generously sized bedrooms. The master suite offers a luxurious ensuite and a large walk-in robe, providing a private and tranquil retreat within the home. Year-round comfort of the home is ensured by the ducted reverse cycle air conditioning system. Step outside and find yourself immersed in the beauty of the stunning garden. Entertain friends and family in the alfresco area with the gorgeous climbing rose creating a beautiful shelter. Mature flowering shrubs and hedges envelop the property, creating a sense of serenity and privacy. At the rear of the property, you'll discover a productive veggie patch, a small orchard, and even an enclosed chook pen for those looking to embrace the sustainable lifestyle. Additionally, a 9x6 shed provides ample storage and workspace, in addition to the two car garage under the main roof of the home. Don't miss the opportunity to call this remarkable property your own.
