This stunning town home is set apart thanks to its contemporary yet timeless design & bespoke finishes & style. With its own street frontage, the convenient dual level layout hosts two robed bedrooms with access to a stylish bathroom & mezzanine-style study or teenager's retreat as well as a decadent master suite blessed with cavernous walk through robe, luxe ensuite & a heavenly balcony to while away the summer days. Downstairs, the entertaining options are limitless care of a sun-filled open-plan domain with gourmet Blanco kitchen with stone countertops & a clever Euro laundry plus an ambient gas log heater to warm those cold winter nights. Outside, you are spoilt for choice with a raised deck, paving, & lush grass for the kids to roam free. This lower level is completed by a powder room & fourth bedroom/home office to cater to families of all permutations. This alluring abode is further enhanced by under stair storage, an automatic garage plus tandem parking, ducted heating & cooling & outdoor shed. Its enviable locale is right near local trams & trains, nearby Glen Huntly shopping & dining precinct, abundant parklands & moments to top local schools.
