With modern tones and light-filled living zones this stylish town home is a picture of elegance, prominence and position. Immediately drawing your eye with its striking facade, inside you'll find a unique and detailed floor plan that begins with a grand entrance foyer connecting to all parts of this conducive layout. Step into a large lounge with adjoining study or home office options before you head through to a beautiful open living, dining and impressive kitchen precinct. With updated appliances including a built-in 900mm stainless steel gas cook top and range hood, wall-mounted oven, a dishwasher and breakfast bar, the kitchen really forms the hub of the home. A ground floor bedroom and powder room on this level provide added convenience, before you head upstairs to 3 bedrooms with robes including a magnificent master with walk-in robe and en-suite, plus a matching main bathroom with shower and bath. Not one, but two outdoor entertaining decks provide the ideal vantage point to supervise the kids and pets playing in the private, low-maintenance backyard. Gas ducted heating, a separate laundry with outdoor connection and a double garage with rear access further contribute to a complete property package located close to all you could ever need. Within walking distance to East Doncaster Secondary College, Donburn Primary School and Blackburn Rd shops, restaurants and services, with proximity to Doncaster Secondary College, Devon Plaza, Jackson Court and Tunstall Square shopping villages, as well as enjoying easy access to Westfield Doncaster Shoppintown, Blackburn Rd, Doncaster Rd, Tram Rd and the Melbourne CBD via the Eastern Freeway.
