\$486,000

This trendy and well-positioned apartment is located on the top floor of a low-rise brick complex in New Farm. This two bedroom apartment boasts a North West aspect that allows plenty of natural light to fill the interior, creating a bright and inviting atmosphere. One of the highlights of this apartment is its convenient location within walking distance to various attractions and amenities that New Farm has to offer. This includes proximity to restaurants, cafés, shops, and transportation options, making it an ideal choice for those who want to experience the vibrant inner-city lifestyle. The interior of the apartment is described as neat and tidy throughout. The kitchen functional with attractive cabinetry, and the overall design of the apartment promotes an indoor-outdoor lifestyle. With two bedrooms, the apartment offers space for comfortable living. Additional features include ceiling fans in the apartment, air conditioning in the main living area for climate control, and a carport with extra storage space. Additionally the low body corporate fees assist in keeping the outgoings to a minimum. This apartment is positioned in close proximity to various popular spots like - Howard Smith Wharves - James Street Precinct- New Farm Park- New Farm Deli- New Farm Cinema Overall, this desirable apartment combines a trendy New Farm lifestyle with convenient living. Opportunities like this are rare and quickly taken suggests that this apartment is likely to generate interest from potential buyers.
