The well-sized spaces and outdoor entertaining options of this two bedroom domain are enhanced by north-facing living & dining, and a sought-after position within steps of Oakleigh Mall. Functional and stylish, a well-appointed kitchen with stainless-steel appliances boasts a central serving island, allowing for additional entertaining options across the open-concept lounge & dining domain. A sliding door opens out onto the north-facing terrace. The surrounding gardens present impressive outdoor dimensions that are truly rare for ground-floor apartments, even for a boutique complex of this calibre. Completing the floor plan are two bedrooms with BIR and a central bathroom/laundry. Storage cage in carpark is a fantastic value add. On the border of Oakleigh's retail and entertainment districts, this exceptionally placed property enjoys immediate access to Oakleigh Recreation Centre, Chadstone SC, Oakleigh station, and the M1 Freeway.
