An exciting opportunity for astute investors or those seeking a city-fringe home without the hefty price tag! Situated on a leafy streetscape in the sought-after neighbourhood of Fitzroy North, the lifestyle on offer with this inner-city, one bedroom apartment cannot be overlooked. Comprising a simple and sleek kitchen of white cabinetry and stainless-steel appliances, the adjoining living/dining area is accented by a large double window showcasing impressive views of the city skyline. Also featuring a bright and airy double bedroom, stylishly renovated bathroom, and European laundry facilities, the property is further enhanced by off-street parking. Not wanting for anything regarding location, the building is nestled amongst a wealth of nearby amenities all within walking distance, including the abundance of award-winning restaurants and boutique stores on buzzing Brunswick Street, local Fitzroy Market and Rose Street Artists' Market, tranquil Edinburgh Gardens, and city-bound, Brunswick and Nicholson Street trams.
