Sumptuous with its light Oak floors, brushed brass tapware and white plantation shutters, this heavenly haven enjoys a private stairwell entrance to the sun splashed entertaining terrace, while internally revealing a light filled open plan living and dining area, a stellar marble-look kitchen with Bosch appliances, 2 substantial bedrooms with built in robes, a magazine-calibre bathroom with separate toilet, and a Euro laundry. Ideal for those looking for an urban escape with 'turn-key' class, it's complemented with reverse cycle air conditioning, ceiling fans and undercover parking beneath your doorstep.
