Located on the border of South Fremantle in the residential/industrial area of Beaconsfield, this mixed use property could have a number of uses and options. Features include:-

- 2 bedrooms: 1 upstairs. 1 downstairs
- The upstairs Master bedroom also has a private balcony
- 2 bathrooms
- Spacious kitchen and dining area
- Kitchen has stone benchtops and exposed beams
- Large upstairs family room
- Good size reception areas
- Secure front entrance
- Rear courtyard with storage shed
- Split system air conditioning

The main living areas are easily separated from the reception rooms so, if you decide to run a home business, your family privacy can be assured. Built in 2002 and sitting at the rear of this small complex, this property offers privacy along with many options, from a home business to a lovely family home in a great position, just an easy walk to South Beach and South Fremantle café strip and shops and a few minutes' drive to Fremantle centre. Contact Peter for more details.
