Right at the top and right on the money, this light-filled apartment flaunts a recent renovation that makes it ready & raring to go! Boasting multiple windows letting in sunshine from every direction, it offers a really sensational layout which is equally spacious, functional and very liveable. Beyond a gated intercom entry and up the classic terrazzo stairs, this top floor treasure is really worth seeing. Freshly painted with a wide and welcoming floorplan, the main focus is the inviting lounge with windows out to the tree-tops and a balcony ready to enjoy the morning's first coffee. Comfortable all year with a split system & wall heater, it flows through to a separate dining zone perfect for welcoming guests for dinner cooked up in the large kitchen appointed with quality appliances and offering masses of preparation and storage space. The two bedrooms are extremely well-proportioned - able to accommodate a double bed easily. They benefit from fitted wardrobes and share a sparkling bathroom with a bath and gleaming shower plus a practical laundry nook. A separate WC makes the home even more functional, while an off-street parking space concludes the package. A perfect base for busy professionals who will enjoy proximity to the CBD-bound tram and Ripponlea station, this is also a great investment proposition close to Tennyson Street village shops & eateries.
