Set in an eye-catching corner block location so close to Grafton's CBD, this savvy two bedroom apartment makes choosing your next addition to your portfolio a breeze! Affordable properties of this calibre are becoming extremely hard to find, especially when they boast a spacious floor-plan, convenient location and the reduced costs attached to this apartment. A super smart hotel style floor plan with ample sized bedrooms provides a little piece of low maintenance living at your disposal. With the high demand for anything rentals at this moment in time and a huge influx of buyers, I would not hesitate on making a move on this one.
