With modern updates, an abundance of natural light & a most sought-after Melbourne address, this updated two-bedroom apartment is beautifully refreshed & ready for move in. Elevated on the first floor of a boutique block in Windsor's heart, engineered floorboards line the spacious interior, enhanced by a sunny northern aspect drawing in streams of natural light. A large central living space with balcony flows seamlessly through to a stylishly updated kitchen & meals fitted with stone benchtops & top-of-the-range stainless-steel Westinghouse appliances of oven, gas cooktop & dishwasher. Two carpeted bedrooms with extra-large windows & built-in robes are serviced by a sleek modern bathroom with separate bath, shower & toilet as well as convenient laundry facilities. Secure intercom entry & undercover parking set to the rear of the property complete the features of this impeccably presented home, providing all the space & strong bones of a bygone era with luxe modern amenities & style. Just steps from buzzing Chapel & High Streets, local leafy parklands & endless public transport options, this easy-living home offers a fantastic opportunity to enter the heart of one of our city's most liveable & thriving suburbs.
