When looking for the next place to call home, we dream of something with good space & light and, if possible, close to a place where we love to spend our time. "Leilani" apartment 7 rests on a sunny corner position of the building across the road to Weyba Creek and within a minutes walk of the Noosa river. Natural light floods through the apartment from its northerly & easterly faces, adding to the genuine feeling of space the overly generous floorplan provides. Upon arrival you're drawn across the living & dining space, through sliding doors to the vast alfresco entertaining terrace. Over 3m deep and more than 5m across, there's room for a proper outdoor dining table to fill with food and friends. 3 good-sized bedrooms sit behind the living space, and a private secure lock-up garage is positioned down one flight of stairs. Every day can start with a riverside walk with fresh coffee, watching the boats and birdlife harmonize to create the lifestyle that draws people from all over the country to Noosaville. Of an evening the softening light lends a relaxed atmosphere as locals & visitors take their places at dozens of cafe's and restaurants along Gympie Tce, just a few minutes walk from home.
