A bespoke executive sanctuary with a vibrant inner city address this stunning north facing apartment is a rare offering. Designed with architectural style and luxury at the forefront, it welcomes you inside to a light bathed layout blessed with striking high ceilings, illuminating natural light and timeless classical finishes. Arched openings perfectly frame the tranquil tree top landscape that surrounds the building, while a striking floor to ceiling glass window further maximises openness and space. Quietly set upstairs for peace and comfort is the oversized bedroom with generous in-built cabinetry and ensuite bathroom. The property is located within architects Burley, Katon and Halliday's acclaimed Republic 1 development, providing a sensational investment opportunity or lucrative Airbnb stay for travellers visiting Sydney. With the beautiful Mayflower Cafe a stones throw away, you're also surrounded by a smorgasbord of other hot spots like East Village, Bloodhound Espresso, Stanley Street, Oxford Street and many more. -Double height ceilings provide a striking atmosphere of light and space-Open lounge and dining zone flows onto an enclosed terrace-Picturesque vistas across the leafy streetscape beyond-Polished concrete floors match the premium fixtures-Streamline kitchen includes stainless gas cooktop and dishwasher-Private upper bedroom is segregated for quiet and comfort-Ideal purchase for a couple, professional or investor-Transport choices await footsteps from your door-Perched between Surry Hills, Victoria Road and Taylor Square's nightlife-Within a short walk of Hyde Park and Sydney CBD.
