Have you been looking for a central location, with all the amenities conveniently located within a genuine stroll. A low maintenance life-style with the ability to lock up and leave all within a development without basement parking and open space between each building. Featuring well-proportioned oversized bedrooms, sophisticated bathrooms suites and designed to maximise the natural light and orientation with a true relationship between indoor and outdoor living. Offering a master suite on the ground floor and separate living space upstairs and a rear northern courtyard which is enclosed. Features that compliment your lifestyle and add that touch of elegance to everyday living, from hand laid timber flooring to double height windows, stone bench tops and feature parquet laid tiling to splash backs and bathrooms. An understated elegance on offer with an endless list of features. Please note photos of display residence is an identical mirror image. Designed by the award winning team Architects Ring and Associates Built by multi award winners Preferred Builders 217m<sup>2</sup> Under roof line - living and garage 100m<sup>2</sup> of outdoor space over 2 courtyards
