Experience calm and serene living in one of Camberwell's most sought-after pockets. Located at the very rear of a private boutique complex, this 2 bedroom apartment stands out for downsizers and first timers with updated interiors and tremendous northerly appeal. Appreciate the space and free-flowing nature of the northern lounge and dining which has striking timber floors underfoot. Neighbouring the living hub is the practical kitchen which delivers stainless steel benchtop and appliances along with a servery to the main area. The bright main bedroom dazzles with superb space and built-in robe storage, while both bedrooms are just steps away to the modern bathroom. Other highlights include split system heating and cooling, gas heater in living, ceiling fan in bedroom, and carport parking on title. Wonderfully placed so close to Hartwell Shopping Centre with Leo's Fine Food and Wine supermarket, Burke Rd shops and cafes, Camberwell Junction, Camberwell South Primary School, Camberwell High School, Willison Park, Frog Hollow Reserve, Camberwell Sports Ground, buses, trams, and Hartwell Station.
