The futures bright at Dandy where contemporary style & north-facing living create the perfect recipe for a beautiful life. With a brilliantly spacious floor plan & elevated on the first floor within a super stylish, boutique complex, you'll love the CBD-access with the tram in seconds & location close to Chapel & Balaclava Streets for coffee & shopping. The best is saved for inside, where an extra wide hallway with crisp timber floors steps up & opens out at the rear to reveal a large open plan kitchen, living & dining area with a split-system airconditioner. Bathed in northern light & furthering the timber floors, this entire space is perfect with a paved balcony for summer barbecues, plus a designer kitchen with stone benches, glass splashback, Blanco integrated dishwasher & a matching stove top & range. The main bedroom is quietly located upon entry, with a sleek ensuite, split system airconditioner & built-in robe, while the second bedroom is serviced by the main bathroom, with stone finishes & a double shower. With a Euro laundry, intercom, split system airconditioner in the living area, secure entrance & a basement car park, the development is surrounded by high quality, landscaped gardens & an appealing street frontage, with easy access to trams, nearby parks & Malvern Central not too far away either.
