Townhouse living at its finest in a friendly and neatly presented development, this three bedroom home offers effortless connection from the living room and kitchen/dining to the covered entertaining deck, where ziptrak blinds, low-maintenance garden beds and shady ornamental pear tree provide an idyllic alfresco setting. A peaceful, private retreat beneath high ceilings with beautiful floating flooring, the well designed layout includes downstairs bedroom, impressive Bosch and Westinghouse appointed kitchen showcasing stone topped island bench overlooking the adjacent dining space and separate lounge, both opening to the deck. A further two bedrooms are peacefully positioned on the upper floor, the master well appointed with luxurious ensuite with large shower and walk in robe along with deluxe bathroom. For added convenience the home features downstairs powder room, dishwasher and pantry cupboard, full laundry next to the kitchen, great storage including built in robes, plantation shutters, dual blinds, strip heater, ceiling fan and ziptrak blinds designed to withstand 100km winds on the deck, two split systems, ducted heating, ducted evaporative cooling upstairs, garden shed and internal double garage plus additional parking space. Walk to Bayswater station and pop on a train to the city with shopping centre, eateries, Bayswater Park and Dandenong Creek Trail within quick walk and childcare and schools close by.
