Made for the beach lifestyle, this solid well maintained masonry block end unit is located only metres from the beachfront and the beautiful Horseshoe Bay Road parklands. Situated in an immaculately maintained small complex, the garden is like living in a park and provides its residents with peace, quiet and plenty of space. The fully airconditioned unit comprises one spacious bedroom with built-in robe. The kitchen is functional, has ample cupboard and bench space and is open plan with the living and dining areas. The comfortable interior has been freshly painted whilst the combined bathroom and laundry provides direct access to the rear of the unit. Venture outside and you will find a single carport which is accessed via an extra wide concrete drive. A solar electricity system is also installed to keep power costs down and the household budget in check. If comfort and space is a priority in life and regular walks to the beautifully maintained beachfront parklands on Horseshoe Bay Rd is your idea of living a satisfying existence, then this property deserves your inspection. Take the time to inspect this one and make it your home, your getaway or a good little investment. Contact the real estate PROFESSIONALS without delay to arrange a private inspection of this very well located property.
