With impressive updates and an idyllic ground floor position, this stylish unit is an outstanding addition to any property portfolio. Whether you choose to reside in or rent out, living here allows residents to leave their car in their allocated parking space to explore Dennis Reserve, Williamstown Foreshore, public transport, local schools, and dining and shopping precincts all within walking distance. The open plan layout of this lovely unit affords an enriched sense of space and abundant natural light to flow throughout. The lounge, dining area, and crisp white kitchen with abundant storage, freestanding cooker, and breakfast bar boasts seamless floorboards and a timber accent wall for an added touch of warmth. The bedrooms with built-in robes are also immaculately presented and the bathroom with separate WC cleverly adjoins the laundry to capitalise on space. For added comfort, split system heating/cooling keeps this unit temperate year-round. Primed for immediate occupancy, this renovated apartment takes the guesswork out of your next property purchase. Inspection will impress, so join us for a tour today.
