Located in a picturesque street in Sunbury, rarely do you find such an opulent residence featuring superior amenities. This beautifully presented townhouse is filled with an abundance of natural light. Enjoy entertaining in this fully equipped kitchen with stainless steel upright stove and dishwasher, large bench and ample cupboard spaces, which flows onto an open plan living area. Be pleasantly surprised at the spacious outdoor entertaining area, which is an entertainers delight and enjoy the low maintenance living, together with European laundry and powder room also downstairs. Make your way upstairs to a generous open space which leads to two spacious bedrooms all with carpet, BIR's and stylish central bathroom with separate shower and bath. Master bedroom is very spacious and light filled separate ensuite and walk-in-robe providing storage for ample clothing. This property also features 2 car garage with remote control and a visual intercom system for additional security and split systems in each room for instant heating and cooling. This sophisticated home is a rare find and won't last long, call now to inspect and avoid disappointment!
