Leafy Retreat! This spacious two bedroom apartment is located on the top floor of a well-maintained security building and is able to provide you with all of the space you could ask for! The apartment features an open plan living area, a sunny, huge separate eat-in kitchen, a retro baby blue bathroom with bath-tub, an internal laundry, built-in wardrobes, two beautiful balconies offering district views, with one off the bedroom and the other off the living area, and, to top it off, a 25sqm undercover carspace! You are also ideally located with both the village shops and train stations of both Dulwich Hill and Hurlstone Park within easy walking distance, as is the bus network on new Canterbury Road at the end of the street. With all bases covered, this is without doubt the place for you.
