Unwind in total comfort in the open plan living/meals zone with gleaming floating floors, a space that beckons you to put your feet up. Effortlessly connected, the sunny and stylish kitchen has been updated and features stainless-steel appliances and generous bench space. Tucked away, two robed bedrooms share an updated bathroom with shower and a heat lamp plus separate toilet. Escape to your private sanctuary in the sun-drenched courtyard garden, where you can enjoy the serenity of your tranquil surroundings with a morning brew or potter among an array of pretty blooms. The single car garage with rear door access is complemented by a second parking spot in the driveway and a third off-street spot in the front – ample space for you or your guests. Other highlights include a gas wall heater, evaporative cooling and split system for seasonal comfort plus a garden shed.
