Situated in a central location in Strathpine, this attractive two-storey townhouse offers comfortable living and a smartly designed layout. The ground floor of the townhouse provides easy access to a rear courtyard and features an open-plan area consisting of a tiled living room and dining area. The well-designed kitchen boasts ample cupboard and bench space, as well as modern stainless steel appliances offering a functional and aesthetically pleasing space for cooking and entertaining. The three bedrooms are conveniently located upstairs along with a bathroom and an ensuite attached to the main bedroom. This configuration ensures privacy and convenience for the residents. Convenience is a key feature of this property, as it is within walking distance of the train station and the local shopping center. This prime location enhances the desirability of the townhouse and makes it an excellent investment opportunity or an ideal first home for a buyer looking to settle in a convenient and accessible area. Additional features include built-in wardrobes, polished timber floors, two air-conditioning units, a private courtyard, an internal laundry, and a one-car garage. Overall, this townhouse presents an excellent opportunity for comfortable living in a convenient and well-appointed home.
