Well back from the street and one of only eleven in the building, this boutique apartment is set to impress with its expansive double-storey design, long list of features and secure surrounds. Ideal for professionals and investors alike, the home's refined interior showcases two genuinely large bedrooms with full-width robes both complemented by a stylish ensuite and main central bathroom – both fully-tiled. Adding the appeal is a separate study/retreat and vast open-plan living/dining area bathed in natural light accompanied by a stone-bench kitchen complete with Smeg cooking appliances and Asko dishwasher. Other stand-outs include split-system heating/cooling (living area) and additional panel heaters (bedrooms), solid hardwood floors, European laundry and under-stair storeroom. Step outside to discover a full-width terrace ideal for relaxing or entertaining while enjoying the elevated outlook of the city skyline, plus an additional courtyard, secure entry foyer and undercover parking space. Trams out front and Croxton Station around the corner along with an endless array of cafes and restaurants to explore, it's also walking distance to shops, supermarkets and the open spaces of All Nations Park.
