Situated toward the middle of this quiet and homely complex, this gorgeous home is waiting for you to call it home! Within walking distance to the centre of town and public transport, convenience is at your fingertips. Stepping into the front door, your bedrooms flank either side of the hallway. Both are generous in size and offer an abundance of natural light as well as BIRs and brand new carpet. Continuing through the home, the main bathroom is large and offers functionality at its finest. It is complete with a single basin, framed shower and tiled bath and continues the neutral tones of the remainder of the home; your perfect blank canvas. Further to this, your separate toilet is just an added bonus to the already lovely home on offer. Heading towards the rear of the home, you arrive at your expansive living room which again provides brand new carpet and which is so spacious you can set up your furniture however you like! Your open plan kitchen and meals area is the perfect space to come home to and to get your culinary creativity flowing. Offering stainless steel appliances, appropriate bench space and an abundance of cupboard space the options are endless. You can enjoy this in your designated meals area or on the warmer nights in the courtyard style backyard complete with fake grass for a lower maintenance lifestyle. Additional inclusions are; split system, wall heater, clothesline and so much more!
