A first class opportunity for easy living with exceptional proportions and enticing potential both inside and out, this industrial prize affords sunlit simplicity amongst an esteemed and energetic Toorak Village precinct. With two entirely private alfresco spaces over two levels and a position within a boutique group of only ten, a bright interior promotes quiet refinement and comfort, enjoying smart distinction between living and bedroom domains. Open living/dining is illuminated by northern light, introduced by the courtyard entrance and enriched by a well appointed Bosch kitchen with stone benchtops and ample storage space. Lined with impressive robes, two considerable bedrooms, including the main bedroom with a rooftop terrace are accompanied upstairs by a smart, light-filled bathroom with laundry facilities. Complete with ducted heating/cooling, sky-lit stairs, intercom access, excellent storage and one basement parking space, this unique and memorable apartment sits seconds from Toorak Road's celebrated range of boutiques, eateries and trams, with Como Park, and Yarra trails just a short stroll away.
