Mid \$600K's

Located walking distance to the vibrant Scarborough esplanade, is this stunning top floor apartment. Immaculately presented with 2-bedrooms, 2-bathrooms, and breathtaking valley views. You will not be disappointed. Stepping inside the apartment, you'll be blown away by how much space there is. A large kitchen is positioned on the left-hand side and is fitted with quality appliances, ample cupboard storage, a large stone bench top, and a breakfast bar. The kitchen flows on to the dining area where there is plenty of room for a dining table without being crammed up against a wall or invading other spaces of the apartment. The living area is again a massive space with more than enough room to fit a large couch. Sliding glass doors are situated at the end of the living room, allowing the natural light to flow in, while also taking in the tree-top view from your couch or dining room table. The master bedroom is of really good size and is fitted with two separate built-in robes. It also opens on to the balcony, allowing you to take in the stunning views. The ensuite is equipped with quality appliances, single basin, and a generously sized cupboard. The second bedroom and main bathroom are located at the other end of the apartment, allowing privacy for guests or the perfect space for a study. The most appealing aspect about this apartment is the huge balcony that has sweeping valley views. A whole other space to enjoy your morning coffee, dinner, or to entertain friends and family. This extravagant apartment also comes with a double tandem lockup garage. With public transport at your doorstep, positioned 700m from the beach, and 1.3km from the Scarborough esplanade where you have an endless number of cafes, bars, and restaurants, you do not want to miss out on this extremely rare opportunity.
