5 of the last 6 sales in the development have been sold by PURNELL. Perfectly located on arguably Canberra's prettiest apartment street, this spacious three bedroom property will have you enjoying the Kingston lifestyle. Renowned for its Pinoak Trees, Howitt Street is positioned just one street away from the Kingston shops and a short walk to the Kingston Foreshore. This means you will have the local cafes, restaurants, the Supabarn shopping precinct and Lake Burley Griffin all at your doorstep. If you're a Parliamentary Triangle worker, work will only be a short ride or walk through Telopea Park away. Stepping inside you will be immediately impressed by the generously sized living area, large bedrooms and abundance of storage. Number 7 is located on the end of the building and therefore has light on three sides and the choice of two balconies for entertaining, with you able to choose between morning and afternoon sun. The property will appeal to a wide range of buyers as it will suit owner occupiers looking to enjoy the Inner South lifestyle or investors who wish to purchase in a boutique building of only 12. Summary: • Spacious apartment with open plan living • Situated on the end of the building and had natural light on three sides • Suitable for anyone looking to be nestled within Kingston • Located on the beautiful Howitt St
