In a celebrated district metres from Cheltenham station village and Southland SC, this stunning townhouse residence combines relaxed family-living with contemporary style, while enjoying designer benefits and a contemporary palette within a sought-after residential quarter. Light-filled living & dining takes advantage of a north-west orientation and low-maintenance configuration. Sliding doors open onto an elevated terrace, complimented by a wraparound courtyard on the ground floor. A cleverly conceived floor plan presents a ground floor master with ensuite, A/C, heater, WIR, and patio; joined above by the second bedroom with BIR, heater, and bathroom access. Features include living room A/C, floor-to-ceiling bathroom tiling, single lockup garage with internal access, and a well-appointed kitchen with stainless-steel appliances & floating cabinetry. This esteemed pocket is within walking distance of Cheltenham's lifestyle & entertainment district, and a stone's throw from Cheltenham Park Reserve. Further lifestyle advantages include easy access to Park Road shops, Highett village, and the foreshore.
