Blending its low maintenance style and a generous courtyard, this home will equally appeal to first home buyers, downsizers and investors looking to expand their portfolio. With a private entry you step inside and find a light toned home with floating floors that feature throughout. The open living and dining area features meet the spotless kitchen. There are 2 bedrooms with built in wardrobes as well as a central bathroom with included toilet and laundry facilities. Outside you find a neat private courtyard with covered deck and artificial grass adding to the low maintenance theme. • Open living/dining plus a neat kitchen • Light paint tones & floating floors throughout • A low maintenance courtyard & single carport • Within minutes of parks, buses & central Bayswater A single carport space on title and a handy position completes the picture with Glen Park and bike tracks nearby while access to shops and trains at central Bayswater are only minutes away.
