A five-minute drive from the Hobart CBD will take you to this spacious family home hidden in the trees. The flexible floor plan offers four bedrooms and three-bathrooms spread over two levels with multiple living spaces. The center of the home is found on the upper-level, with an open-plan modern kitchen, dining and living room. The kitchen has all of the mod cons including ample storage space, stone benchtops and a dishwasher. The high ceilings and floor to ceiling windows and sliding doors to the deck fill the space with light and ambience. The property has multiple heat pumps which will keep you comfortable all year round. Three bedrooms and two bathrooms are housed on this upper level including the master suite with generous ensuite and a walk-in robe. The remaining bedrooms have built-in robes and have easy access to the main bathroom with a separate bath, shower and toilet. The lower level offers more living space in the form of a large rumpus plus there's a fourth bedroom and a large bathroom/laundry. A double garage provides secure and dry parking with internal access. 12 month lease. Unfurnished. * Please note, the 'Tenant Check' offered through the Ignite application platform is a paid product offered by Realestate.com.au and is in no way affiliated with Fall Real Estate. It is not a compulsory requirement when applying for one of our properties and it will not ensure your application will be successful or prioritised.
