This three bedroom townhouse is complete style with a unique design - nothing has been left out. With an large open foyer it sets the mood as soon as you walk in with a sun filled entrance, leading into the combined dining and lounge room moving in a chef's and entertainers dream, with a spacious kitchen, plenty of cupboard space, Meile Appliances, gas cooking, dishwasher, even a connection for your ice dispenser fridge, window serving bay for access to your covered entertainment area and powder room downstairs. The outdoor courtyard is the biggest of the bunch, wrapping around the back side of the property with external access from a side gate. Upstairs, we have three great sized carpeted rooms with built in wardrobes in all rooms, a study nook for the kids or a home office, linen cupboard for storage, main bathroom features a stunning square bath and all quality tap wear. Additionally there is an ensuite off the main bedroom. It also features a double car garage with remote and internal laundry. Walking distance to shops, public transport, hospital and university.
