Set in a boutique complex and offering convenient access to the CBD, local schools and shopping options and boasting a very impressive city view, this unique unit will not last long. Normally inner city units have one or two great features, but not this one! We have many! Including convenient location, panoramic city & mountain views, over sized entertainment balcony, 2 car garage & beautifully presented complex. The internals offer a great layout with good separation, ample storage and a focus on entertaining. The open plan living zone, designer kitchen and outdoor lifestyle deck are all focused around the unbeatable city view! This unit was designed with entertaining in mind.
