A change in plans has created this opportunity to secure an elevated block that offers incredible ocean views in a super convenient Cannonvale location. This elevated 2861 sqm block is ready for you to purchase the land today and build your dream home in 2023 or land bank for the future, the choice is yours. Best of all, there are no body corp fees, timeframes for you to build or guidelines to restrict your house design/plans. It's not often you can find a block of this size and still enjoy the benefits of town water and sewer services available to the block. The land offers a huge 36m street frontage with a driveway leading into the block from the street. The land is also in a great location, within easy walking distance to local schools, parklands and shops. Now is your chance to snap up this stunning parcel of land and build that ocean-view home you have always dreamed about.
