Yash Akpinar proudly presents...Rising above Pascoe Street shops, this spacious two-bedroom address combines comfort and convenience in equal measure, delivering beautiful spaces without renegeing on its commitment to functionality. Polished timber flooring animates otherwise neutral interiors softened by pastel tones and diffuse natural light. Full-height glass divides open-concept interiors from the sunset balcony, while these beautiful sunset perspectives are shared with both bedrooms. Functional aspects include BIR in both bedrooms, a main bathroom with guest access, living room A/C, Euro laundry, and a widely-appointed kitchen equipped with stainless-steel appliances and generous storage space. Positioned at the tip of Pascoe Vale's verdant crescent, live in a sought-after location that places Oak Park station, Sewell Reserve, and local sports grounds within easy reach.
