A rare find in a very tight Tom Price leasing market! This corporate style two story property has all the features required for either shared company accommodation or a corporate managers home and with the last company tenant being in place since 2020 this shows we don't see this style of property on the market very often! The property itself is a modern four bedroom three bathroom home with bright open plan living leading to alfresco area, stunning modern kitchen and a large ensuited bedroom all downstairs. Upstairs offers a further three bedrooms, one with ensuite and the other two sharing the main bathroom and the additional benefit of a kitchenette to service these three bedrooms. The property is complete with quality fixtures and fittings, tiled living areas and split system air conditioning throughout. Outside you will find double carport, alfresco area and garden shed all contained on a low maintenance block. Be quick this opportunity will not last long!
