Personal inspection is highly recommended and will be a definite surprise when entering this beautifully styled 4 bedroom, 2 bathroom home. Two master bedrooms with ensuite and WIR (one at each end of the house) plus two good sized bedrooms in-between, gives a wealth of alternatives when it comes to zoned living. All bedrooms have large windows with garden aspects and one of the master bedrooms could easily be turned into a second living area. The ceilings throughout are higher than normal (2.7m) which gives a great sense of light filled spaciousness. A country styled, slate floored kitchen with its adjacent family room or casual dining area has sliding doors to a covered, north facing timber deck which overlooks the beautiful and serene lush garden. An ideal spot to enjoy your breakfast or casual meal whilst listening to the birdsong! The large L-shaped living/dining room has a gas log fire for ambiance and reverse cycle air-con gives comfort all year round. Bountiful fruit trees in the rear garden, a four car garage and double carport completes this welcoming and charming home. Call Wendy today on 0467 032 010 for an inspection time. Property Code: 277
