Renovating a property like this three bedroom home might indeed be a challenging journey, but the potential rewards will make it all worthwhile. Despite its current state, this house still has potential, and with the right TLC, it can be transformed into a comfortable and beautiful living space. Located in a quiet area in Kalimna and only a short drive to the heart of Lakes Entrance you will get to enjoy the stunning view of the Entrance every time you drive down the hill into town! With three good sized bedrooms, separate kitchen and lounge areas, split system air-conditioning and wood fire, this home has a lot of potential! Rolling up your sleeves, taking a deep breath, and dedicating weekends to this project may seem like a daunting commitment, but the end result could be a home that you're not only proud of but one that also represents a significant financial investment. Call today to arrange your inspection!
