\$998,000

Natural light streams into the beautifully big open plan rooms of this welcoming three bedroom, two bathroom abode. With attractively wide street frontage, the home presents plentiful living and dining space linked to a fully equipped kitchen by breakfast bar. At the rear, a courtyard provides a private spot to unwind outdoors with a prime northerly aspect. A gas cooktop, Westinghouse fan forced electric oven and great kitchen layout make cooking a pleasure, while a dishwasher takes care of most of the rest. Restful double bedrooms come with built-in robes, or a walk-in robe in the main bedroom, leading to an ensuite. A family bathroom with deep bath, separate toilet and laundry ensure convenience. Solar panels, a Daikin reverse cycle air conditioner, ducted heating, polished floorboards, driveway and automatic double garage ensure a rich feature list. Desirably located, this smartly presented home is just a stroll to transport, parks, Moonee Ponds Creek Trail and Strathmore North Primary, in the coveted Strathmore College zone, close to CityLink access and the village shops and cafes of Napier Street.
