You'll love: • The space & contemporary style on offer at this gorgeous coastal-meets-French-Provincial home, only 2 years old (like new!) & boasting stunning ocean views. • Entertaining or relaxing in the open plan living, kitchen & dining area – the heart of the home – offering a seamless connection to the alfresco & the beautifully landscaped private garden. • The dreamy chef's kitchen, complete with high-quality appliances (including a dishwasher, not 1 but 2 ovens & an induction stovetop), striking stone benchtops, island bench, window splashback & WIP. • Sleeping soundly in the luxurious upstairs master retreat, boasting WIRs, a double ensuite with stone benchtops, a deluxe shower & floor-to-ceiling tiles. Plus: • The functional floor plan incorporates an upstairs living area with breathtaking sea views through large windows, a 2nd downstairs master bedroom with WIRs & ensuite, plus 2 further bedrooms with BIRs, serviced by a resort-style bathroom. • Other highlights include ducted heating, refrigerated cooling, double-glazed windows, 2 walk-in storage cupboards, chic plantation shutters & a double garage with house entry. • Conveniently located close to schools, parks, The Dunes Village shops, sports ovals, skate park & just a few minutes' drive to the many pristine beaches along the Surf Coast.
