Imagine coming home to a place where every detail is designed with your family's comfort in mind - this is your reality at 7 Bali Hi Place. Outside, an architecturally designed Skillion roof adds an elegant touch to your home's street appeal. As you step inside, the new air conditioning in the living area welcomes you with a gentle, refreshing breeze. The spacious master bedroom, complete with a walk-in robe and ensuite, invites you for a peaceful retreat, complete with lush green views right outside your window. This haven boasts fresh features, from the new LED lighting and freshly painted surfaces to the newly carpeted bedrooms. Ample storage throughout the house ensures your space stays free of clutter. The heart of this home is its kitchen, where ample bench space and an island bar invite culinary creativity. It seamlessly flows into the open living and dining area, bathed in natural light from the glass sliding doors that reveal the rainforest feel of the outdoors. Step out onto the expansive patio with outdoor fans, where you can dine alfresco and host BBQ get-togethers with friends. Your backyard is a low-maintenance private oasis, backing onto a natural creek with a lush green outlook, all tucked away in a quiet cul-de-sac. With side access for additional parking and a double-car garage with internal access, parking will be the least of your concerns. All of this is nestled on a 725sqm block on the beautiful Bali Hi Place, renowned for its quality homes. Welcome home!
