Situated in Mount Crosby's desirable Westwoods Estate, this low set brick home has much potential and opportunity to put your own stamp on it, inside and out. Poised on a 5004sqm block, the property offers several usable areas and is a habitat for wildlife. The hub of the home is the large covered deck, perfect for entertaining, with peaceful bushland views and breezes. A servery window from the kitchen is a special and practical addition. Inside, the kitchen itself is well-sized and features a wooden countertop breakfast bench. The kitchen shares space with a casual dining room. Beyond is a formal dining space and lounge room with fireplace. An exciting feature of the home is the multi-use room, which has separate access and can be used as a fourth bedroom, an office, rumpus, or with the addition of a bathroom, could function as a self-contained studio. Your vehicles, caravan and or boat can be parked in and around the free-standing, high garage with workshop. School buses and BCC taxi-bus pass at the street corner, you are minutes to local shops, golf course, boat ramp, river parkland reserves, bowls club and all other amenities. Additional features include:- 3 large bedrooms: the master suite, which has a built-in robe and ensuite bathroom, plus two other double size bedrooms, which also have built-in robes - 2 Bathrooms, including the master ensuite- Designated laundry - Open plan kitchen and casual living/dining- Formal carpeted dining and lounge room with open fireplace- Air-conditioning and ceiling fans throughout- Termimesh- Crimsafe on front windows- 4 Car double lock up garage with workshop- Single garage- Separate garden shed provides extra storage for garden tools and ride-on mower- 6.5kW Solar- Town water, plus 2x 20,000L pressure pumped water tanks- Septic
