Offers Over \$599,000

Rebuilt in 2014, is this beautifully presented and tastefully renovated private beachside home offers a blend of modern convenience and natural beauty. With its stylish kitchen, spacious bedrooms, and light-filled bathroom, it provides a comfortable living space. The surrounding gardens, decks, and nearby beach enhance the peaceful atmosphere. Plus, features like solar panels, solar hot water, double glazing, and rainwater tanks emphasize sustainability and efficiency, making it an appealing home for those seeking both comfort and eco-friendliness. The additional features of this home add to its appeal and functionality. From the European laundry with an Elfa shelving system to the Velux Sky windows, the polished concrete floors and double glazing, every detail enhances comfort and convenience. The garage, carport, decks, and porches provide ample space for storage, parking, and outdoor enjoyment, making this property truly versatile and desirable. The bird attracting garden, offers 4 fruit trees and a passionfruit vine. Veggie garden beds and seaside natives to compliment the surrounds. A space to enjoy all year round. Daily beach walks are a given, with Primrose Sands beach just 100 metres (approx.) from your doorstep! 7 Banksia Street is like a fantastic retreat for those who value both comfort and environmental consciousness. The combination of modern amenities and natural elements creates a serene and sustainable living environment, perfect for enjoying beachside living to the fullest. Be sure to add this gorgeous home to your must inspect list today!
