Welcome to this absolute gem, in the City of Belmont. An older style home with four very large sized bedrooms, a beautifully renovated kitchen and bathroom, nestled in a quiet cul-de-sac. A wonderful place to raise your kids, with a large back yard to play in. Air conditioning unit in the main living area and a new electric stovetop and oven. Hardwood floors throughout the house, to keep the allergies down. A minutes' walk to the bus stop which will take you directly to Belmont Forum for all your shopping needs and on into the city. You are a four-minute drive to the Belmont Oasis Leisure Centre where you can swim or complete your daily workout. Walking and riding distance to St Maria Gorettis Catholic School, Belmay Primary School, Belmont City College or the Cloverdale Primary School. If the river is more your style, then you are within walking distance of reaching the water and walking/riding paths that wind their way to all the attractions the river has to offer. This home will lease, so book your viewing quickly. Sorry no pets.
