This modest low set home sitting a large 1012m² flat block has the potential for investment or owner occupier. Walking through the front door off the front verandah with its new decking boards, you'll enter straight into the open plan living/ dining room with lots of natural light and parquet floors. This leads into the tiled kitchen with its breakfast bar, pantry and plenty of cupboard space. A short hall leads to the 3 bedrooms two with built in robes the main is of generous size. The Laundry and bathroom are in the same area with separate toilet, shower and bath. Stepping out into the back door through the glass slider the fully fenced yard is a blank canvas with single garage/shed with power. There is room for the veggie patch, a double garage and still room for a pool or swing set and the dog. Located in the friendly village of Howard, this home is neat and tidy and presents very well. Being an older home there is scope here to add your own style or keep the retro feel. With motivated sellers this property will not last long so give our office a call to book in your personal viewing time.
