Boasting refined interiors, abundant living spaces, and remarkable outdoor entertainment areas, this property stands out as a true gem. Setting a new standard for sophistication and refinement, this luxurious Wisdom built home has been meticulously crafted with no detail overlooked. Set on a prized elevated position within one of the finest streets, this East Facing home captivates you from the moment you arrive with its striking façade, featuring a tiled porch and a driveway leading to an oversized double garage. Enter the elegant reception foyer & from the moment you step inside, you are immediately captured by its sheer size. You'll be welcomed by a plethora of ornate features, including high ceilings, plantation shutters, downlights, luxury tiles, brand new floorboards, and a stunning timber staircase, each contributing to the undeniable wow factor throughout. At the front, the sixth bedroom with built-ins can also serve as an office for remote work professionals and is perfect for guests. Moving further, you'll find a large theatre room, perfect for those movie nights. An open-plan layout seamlessly combines the living, dining, and kitchen areas, serving as the home's vibrant social heart, with a fireplace adding a cozy ambience. The gourmet gas kitchen is a chef's dream, featuring extended Caesarstone benchtops, a glass splashback, built-in pantry, and quality S/steel appliances. Additionally, there is a casual lounge area where you can relax, and enjoy a comfortable and inviting setting. The interior effortlessly extends to a spacious undercover alfresco area, complemented by electric blinds that enclose the space to offer the best of indoor and outdoor entertaining experiences. Indulge your family and friends with unforgettable celebrations in the resort-style backyard, where you can enjoy a huge heated pool that features a charming gazebo, ideal for hosting barbecues. The spacious, sunny yard is perfect for children and pets to play, along with convenient wide-side access. Heading upstairs, the rumpus is perfect for relaxed evenings & doubles as the fifth bedroom with built-ins. The master suite is a luxurious retreat, featuring a generous walk-in robe, balcony with city views, and a deluxe ensuite with an oversized shower and twin vanity. All other bedrooms are spacious with built-ins & share an immaculate family sized bathroom with shower, bath and separate toilet. Features: Brand new 13.2 KW solar panels
