The ultimate indoor-outdoor entertainer, this stylishly appointed three-bedroom home enjoys glorious parkland views of beautiful Edwards Reserve opposite. Spanning two well-planned levels, accommodation includes a ground floor living and dining zone which extends effortlessly outside to a private, easy-to-maintain courtyard. A fabulous servery window connects the stunning gourmet kitchen with quality stainless steel appliances to the sundrenched alfresco entertaining area – perfect for summertime get-togethers with friends. All three bedrooms are positioned upstairs away from the home's social hub. The master is blessed with its own park-view balcony along with a walk-in-robe and sparkling ensuite. The remaining bedrooms boast built-in storage and share a contemporary bathroom while a guest powder room is located downstairs for the convenience of guests. Other highlights include split-system heating and cooling, ducted heating, solar hot water, a full laundry and lock-up garage, while completing an appealing package is proximity to Spotswood Station, bus stops, Vernon Street shops and eateries, plus well-regarded schools including Wembley Primary and Bayside P-12 College.
