Only a few weeks since move in, is this 4-bedroom, 2 bathrooms, 2 living area home within the Vickers Estate. With excellent side access to the yard, including double gates, there is plenty of room to build that big shed should you choose (STCA). Stand out features in this home include the stunning floor-ceiling tiled bathrooms, high ceilings, skylights in kitchen area to soak in the natural light and large WIP. An open plan living design, with separate second living area or kids' playroom, this is a great family home. Further landscaping to the rear is a blank canvas for you to choose your own design. Only short walking distance to local sporting facilities and the town centre. A very nice home, with a great size yard!
