Centrally located in a quiet cul-de-sac of Dover, within walking distance to all services and the bay, is this 904m² allotment with connection to all town services. Neighbouring properties are all relatively new builds, in a new homes area. The allotment is tucked away from the main town ship and depending on the orientation of your build, you can enjoy filtered water views. Just a short drive away is the local golf club, esplanade and boat ramp. Kent Beach is also just a short stroll to enjoy. Dover is a popular seaside suburb located south of the Huon Valley, and it is also one of the southernmost townships of Australia. The community is friendly, and the township itself is peaceful. A well priced building block in a lovely location. Disclaimer: We have obtained all information in this document from sources we believe to be reliable however we cannot guarantee its accuracy.
